WELCOME MESSAGE

Dear Friends & Colleagues,

It is with great joy and a deep sense of privilege that I invite you to join us for the **21st Annual Conference of the North Zone Association of Plastic Surgeons (NZAPS 2026)**. This milestone gathering will be held from 13th to 15th November 2026 at the scenic Glenview Resort, Kasauli — a setting as inspiring as the conversations we hope to spark.

We chose Kasauli with care. November in the hills brings excellent weather, a peaceful atmosphere, and the kind of unhurried beauty that encourages both deep thinking and warm camaraderie. The Glenview Resort offers excellent amenities and a welcoming ambience — the perfect backdrop for both rigorous science and relaxed fellowship.

- Our dedicated Scientific Committee is working tirelessly to curate a programme that is both crisp and impactful — especially designed to be enriching for younger plastic surgeons at every stage of their journey. This year, our thematic focus will centre on: Gender Dysphoria with the focus on Latest advances, surgical techniques, and patient care pathways and the Aesthetic Plastic Surgery discussing the Current trends, innovations, and evidence-based approaches to the patient care.

Beyond the conference halls, we look forward to moments of reconnection — over meals, walks in the hills, and conversations that remind us why we chose this remarkable specialty. We warmly welcome you and your families to join us in Kasauli for what promises to be a truly memorable experience.

With warm regards and great anticipation,
